MEDICATION DISCOUNT INSTRUCTIONS

If a medication is “not covered”:

- Call the office. The doctor may be able to request this specially for you.

If the medication is too expensive, but it is covered:

- Check www.goodrx.com/. Type in the medication name and see if it is available at a nearby store.
- Do an internet search for “medication name” “discount program”.
- Here are some commonly prescribed discount programs:
 - Estrin: <https://www.estrin.com/save-on-estrin>
 - Premarin: <https://www.premarinvaginalcream.com/savings>
 - Gemtesa: <https://gemtesa.com/savings-program>
 - Mirabegron: <https://www.myrbetriq.com/savings-and-support/>
